

## What's New At Bronte Heights?

### Eco-Friendly Bird Feeder Contest

May is planting season and along with our planters, our classrooms are building eco-friendly bird feeders. We are challenging our parents to send us their drawings to help us create the most eco-friendly bird feeder. Chosen bird feeder will win 1 free day at Bronte Heights.

### Toys from recycled materials

Red room created *hot air* powered cars made from recycled materials.

## May 2012 Newsletter

### Our team is Growing

### Sunscreen

Now that the spring has arrived, we begin to prepare for the warmer weather and hot sun. Many teachers have already begun asking parents to bring in sunscreen for their child. Please note that a permission form must be completed and sunscreen will be applied before outdoor play each day.

### Real Food For Real Kids

Please log onto [bronteheights.com](http://bronteheights.com) to view our monthly menus. A copy of the menu is also posted in the school (near the cubbies) for your convenience.
